#### **More than 100 years of history**

Grand Hotel des Thèmes. The history of one of the most prestigious palace of Salsomaggiore Terme, once a famous impressive luxury hotel, designed in 1898 by the Milanese architect Luigi Broggi and inaugurated in 1901. The palace is a three-storey building: the main floor (Piano Nobile) with its historic rooms, very impressive and highly scenographic, decorated according to the Italian Liberty-Déco style and where you can find the creativity of the famous Florentine artist Galileo Chini. These prestigious settings are juxtaposed by the modern multipurpose amphitheatre Auditorium Europa. Palazzo Congressi offers its unique spectacular historic rooms for meetings, conventions, banquets, team-building, commercial advertisement, photo shoot settings, television shooting, events and fashion show.
